FOREWORD

The Yearbook Staff presents this edition of the Sendoff so that you may have a lasting record of your life at Stanley.

We wish you much joy as you browse through the book to recapture the highlights of the past school year. And we fondly hope that in the future as you look back upon your carefree years, you will cherish your copy of the Sendoff as an open sesame to the doors of the past.

Nancy —
It's been fun having you in 8K this year! It's too bad that you're going to Carolinda, because I would like to get to know you better —
Have a good summer,
Mark

DEDICATION

Mrs. Misenhimer

Each year the Sendoff staff considers carefully its choice of a person who has earned special recognition for outstanding work with young people.

The person upon whom we now bestow this honor has given unselfishly of her time and talents. There is never a job too difficult or too tiring for her capable hands. Pupils who have had the privilege of working with her are better persons for having had that privilege.

So it is with much pride that the 1965 edition of The Stanley Sendoff is dedicated to Mrs. Margaret Misenhimer.

STAFF

OUR LORDS

To the 8th Grade Class:

The past two years have been a period of growth for all of you. Many have demonstrated the capacity to achieve well both academically and socially. The accomplishments of these students are a credit to all concerned. It is hoped that others who have not reached this point will do so within the next few years. Since the present is an indication of the future, an early focus on aims, now, will lead to a more successful and significant life ahead.

Best wishes to all of you in future endeavors.

Sincerely,

W. R. Moreskine

Mr. Moreskine
FEUDAL LORD

Congratulations to all students on the way you have carried on the M. H. Stanley School traditions, and also on your contributions toward improvements that have been and are continuing to be made.

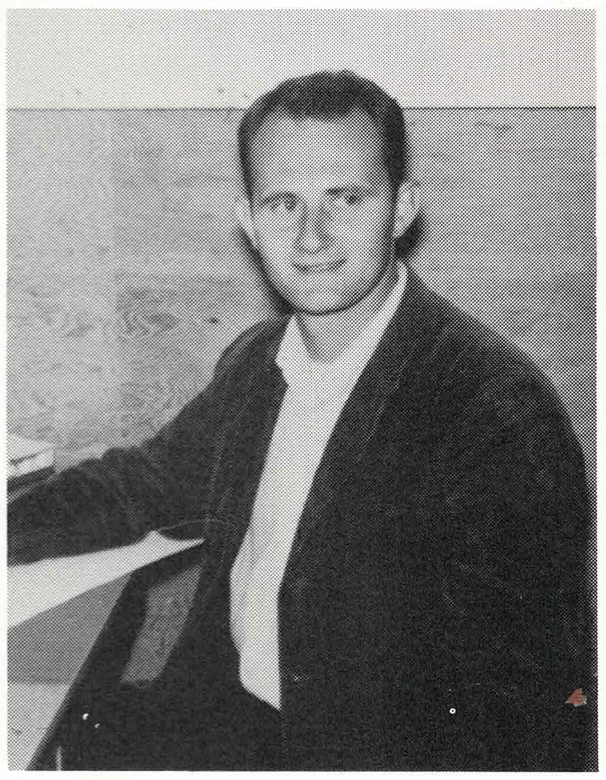

To the Graduates good bye, and my most sincere and personal best wishes for continued success and happiness in all of your future endeavors.
